Promoting School Readiness and Student Literacy Enhancement

Global Give-A-Book believes that education is the most direct path to success for all children.

The need has never been greater, and the opportunity for real change has never been more obtainable. GGAB provides new, award-winning books to community programs that serve children in need.

With a 100% success rate in getting books to the children who need them most, we have achieved many goals.

There is still extensive work to be done!

-Sylvia Maser, Founder

"What a beautiful way to promote pre-literacy. The books have been used to good use."

-Marta Garcia

"Love the website and all the wonderful things GGAB has and is doing! Nice Job!"

-Linda Vega, Wells Fargo
